

Birla Open Minds International School

Birla Open Minds International School K-12 School, an initiative of Birla Open Minds Ltd., offers comprehensive solution for education that envelopes the individual's learning period right from the formative early years to K-12 schooling.

VISION

The Birla Open Minds International School, address the needs of the 21st century by preparing individuals who are highly skilled, innovative and sensitive to the economy, society and environment.

MISSION

The Birla Open Minds International School, aim at holistic development of children by providing a firm academic foundation through a selection of Indian and International boards, an opportunity to learn beyond the academic rigour using state of the art facilities at our innovation centers, all of which is powered and supported by the rigorous R&D team of Birla Open Minds.

Birla Open Minds : The LOGO

The BOMIS Logo underlines the philosophy of 'Transformation' at all levels. A Geometric Triangular shape melts into free form—that of birds taking flight. In Birla Open Minds, ideas transform into action, creativity takes flight and students are encouraged to constantly attain greater heights. Freedom of thought and expression aids the metamorphosis of the children into innovative and sensitive individuals.

BOMIS Curriculum

The curriculum, by each of its parameter focuses to boost the social, emotional, spiritual, physical, motor and cognitive development of each child, using the concept of Multiple Intelligences.
